

HELM HUSH

Helm Hush combines a sleek, rounded form with the benefit of acoustic rated materials. The underlying robustness is offset by a soft wool-covered, thermo-formed felt shell.

- ✕ Internal and external noise absorbing material to help hush open spaces
- ✕ Two standard sizes; 11-inch or 15-inch diameter
- ✕ Outer wool cover available in more than 50 colors
- ✕ Specify with contrast stitching for a fun detail
